

## 2024 Coppers Classic Thursday Workshop

Have you always wanted to learn how to play four-in-hand but have felt too overwhelmed to try? Well now is your chance.

**This year's Thursday evening pre-event Coppers Classic workshop will focus on beginning four-in-hand.** Participants will learn Shelley ringing and will slowly work their way into the most widely-used version of four-in-hand. From there, the group will work on exercises to get familiar with playing so many bells!

Clinician P.L. Grove will be back this year to teach us this popular and useful handbell technique.

As a founding ringer with the critically acclaimed Sonos Handbell Ensemble, her more notable performances included those with the San Francisco Girls Chorus, the San Francisco Symphony Chorus, the Kronos

Quartet, Frederica von Stade and twice on Garrison Keillor's A Prairie Home Companion. She is the former artistic director of Velocity Handbell Ensemble, and has directed several church handbell choirs over the years. She is one of only a few people to receive a degree in handbell performance, and is a Past President of Handbell Musicians of America. P.L. is retired from her job as a government public information officer and currently directs her church vocal choir.

Don't miss this chance to enhance your treble bell skill!

**Thursday, April 4, 7-9 pm PST • Cost: \$25**
